

Adventures and Misadventures in Science and Data Analytics

Bridwell Institute events. If you miss one reading group session or event during the semester, for example. This will be enforced precisely with those of the other reading groups.

Meeting Times. Our on-campus meetings will be held on Tuesdays from 7:00-8:00pm.

Dinner. After each session, we will bring in food to continue the discussion. We expect this to last until about 8pm. This is considered an important part of the program and you are expected to participate.

Stipend. Upon successful completion of the program, you will receive a \$1,000 stipend about a month after the program ends. (Thanks to the McLane Company and the Armentrout Foundation for their generous support for this program.) There is much paperwork involved in order to process the payment. Taxes will not be withheld, but the payment will be reported to the IRS and you may be liable for paying taxes on that income. Please see Liz Chow (Crow 278) to make sure all the required paperwork is in order (chow@smu.edu, 214-768-2493).
