Questions & Responses

# SMU RFP for Title IX Gender Equity Review Questions & Responses

SMU is open to negotiation of specific terms and conditions but requests that any exceptions to the standard contract be identified in the RFP response as noted in RFP Section 4.0.

No.

***RFP Section:***

## ***4.0 Proposal Content Requirements***

No. The selected firm's RFP response will become Exhibit A of the negotiated contract.

If subcontractors are to be used in the engagement, the subcontractors, and their scope of work, should be clearly identified in the prospective firm's RFP response. If a subcontractor is added after contract execution, the contracted firm will need to submit a written request to the identified SMU representative for the addition.
