undergraduate schools and a wide variety of graduate degrees through those and one professional school.

Of the 10,929 students enrolled for the 2013 fall term, 6,357 were undergraduates and 4,572 were graduate students. The full-time equivalent enrollment was 6,271 for undergraduates and 3,176 for graduate students.

Southern Methodist University is located in Dallas, Texas. In a typical school year, students come to SMU from every state; from more than 100 foreign countries; and from all races, religions and economic levels.

Undergraduate enrollment is 51 percent female. Graduate and professional enrollment is 42 percent female.

A majority of SMU undergraduates receive some form of financial aid. In 2013 and 2014, 75 percent of first-year students received some form of financial aid, and 35 percent of first-year students received need-based financial aid.

Management of the University is vested in a Board of Trustees of civic, business and religious leaders. SMU was that it become not necessarily a great *Methodist* university, but a great *university*.

#### ACADEMIC ACCREDITATION

Southern Methodist University is accredited by the Southern Association of Colleges and

doctoral degrees. Students should contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30030.

Bachelor of Arts is not accredited by a Commission of ABET. ABET does not provide accreditation for the discipline of management science.

In the Meadows School of the Arts, the art and art history programs are accredited through the National Association of Schools of Art and Design, the Dance Division is accredited by the National Association of Schools of Dance, the Music Division is accredited by the National Association of Schools of Music, the music therapy program is approved by the American Music Therapy Association, and the theatre program is accredited by the National Association of Schools of Theatre.

Perkins School of Theology is accredited by the Commission on Accrediting of the Association of Theological Schools in the United States and Canada (10 Summit Park Drive, Pittsburgh, Pennsylvania 15275-1110; phone 412-788-6505) to award M.Div., M.A.

Joseph D. Quillian, Jr., (1960), James E. Kirby (1981), Robin W. Lovin (1994) and William B. Lawrence (2002).

For more than a century, the generosity of alumni and friends of the school have made possible higher learning through real experience leading to vital ministry.

Originally housed in Dallas Hall, the school occupied Kirby Hall (which is now Florence Hall in the Law School) from 1925 to 1950. Beginning in 1945, the University received a series of large gifts from Lois and Joe J. Perkins of Wichita Falls, Texas, that made possible the relocation and expansion of the School of Theology and provided major endowment for its support. Six of the eight buildings on the present site in the southwest corner of the University campus were provided by these gifts. The Board of Trustees responded by naming the school Perkins School of Theology.

The new campus, occupied in 1950, consisted of the chapel, Kirby Hall, four dormitories (Smith, Perkins, Martin and Hawk halls) and Bridwell Library. A few years later, Selecman Hall was added.

Bridwell Library, managed by Perkins School of Theology, is Southern Methodist University's principal bibliographic resource for the fields of theology and religious studies. The library houses more than 380,000 volumes in religion and related fields. In addition to the broad general collection, Bridwell Library Special Collections holds more than 50,000 rare books and manuscripts. Particular strengths of the special collections include theology, church history, textually and historically significant editions of the Bible, Methodistica, Wesleyana and early printing. To enhance public and scholarly awareness and appreciation of the collections, Bridwell presents exhibitions and hosts lectures, conferences and workshops.

Completed in 1950, the original Bridwell Library building was a gift of Joseph Sterling Bridwell and his daughter Margaret Bridwell Bowdle of Wichita Falls. In the 1950s and early 1960s, they also made it possible for Bridwell to begin acquiring rare books. In 1973, the philanthropic organization Bridwell founded, the J.S. Bridwell Foundation, funded the doubling of the size of the library building. In the late 1980s, another major Bridwell Foundation gift permitted the renovation of the library. At the same time, a gift from Charles N. Prothro in honor of his wife, Elizabeth Perkins Prothro, made possible the addition of exhibition galleries to the library building. Today, the library facilities include computer lab and wireless service, reference and periodical reading rooms, graduate student carrels, and special-needs stations.

In 2009, Perkins School of Theology completed the construction of one new building and the renovation of two others. This project, which involved an investment of more than \$14 million, provides state-of-the-art instructional technology and fully accessible facilities for all persons. The new building, Elizabeth Perkins Prothro Hall, is a Leadership in Energy and Environmental Design certified build-

# ADMISSION

## THE ADMISSION PROCESS

Requirements for admission to each of the Perkins degree programs are outlined in the more detailed descriptions of each program found in the next section of this catalog. Persons seeking admission should contact the Office of Admissions and Financial Aid well in advance of the term in which they wish to matriculate, since the process of admission takes some time.

Applications for the M.Div., M.A.M., M.S.M. and M.T.S. programs are available from the Office of Admissions and Financial Aid and should be completed and returned to that office, with the necessary supporting materials, by May 1 for fall admission and November 1 for spring admission. Deadlines for the extension program are July 1 and December 1.

Information and applications for the D.Min. program may be obtained from the Office of Advanced Ministerial Studies.

### Admission by Transfer

The procedures and standards for admission for students who wish to transfer from other theological schools are the same as for all new students. In such a case, the student's academic record in seminary as well as in undergraduate study or other graduate programs will be considered. A transcript of academic credits and a letter of good standing will be required from the theological school of record. The design of the Perkins M.Div. curriculum is such that transfer into that program after more than a year of study elsewhere is ordinarily not encouraged.

A student may apply for transfer credit from schools accredited by the Association of Theological Schools. The work must have been completed within the past seven years and earned a grade of 2.000 or better. The registrar in consultation with the associate dean of academic affairs will determine, in each case, the number of credit hours that a student may transfer to a Perkins degree program and their allocation to the requirements of the program. The maximum number of hours that will ordinarily transfer toward a degree is as follows: 30 term hours for the M.Div., 24 term hours for the M.A.M. and 21 term hours for the M.T.S. By action of the University Senate

student interested in the possibility of advanced standing should notify the registrar prior to the beginning of coursework.

#### Admission With Advanced Placement Without Credit

A student who, by means of coursework prior to entering Perkins, has achieved competence in a given field equivalent to that normally gained through one or more of the required courses in an academic division may seek advanced placement in the work of that division. Advanced placement is granted without credit, and it does not reduce the amount of credit that must be earned in the division or in the degree program as a whole, but it enables the student to use his or her time to better advantage. A transcript of academic credits is required and, in some cases, an oral or written assessment of competence may be required. Students interested in the possibility of advanced placement should notify the associate dean for academic affairs in writing as early as possible and no later than the beginning of their first term at Perkins. Courses taken by advanced placement to satisfy the general requirements in a division may not be counted toward the nine hours of elective work required in the M.Div. program in divisions I, II and/or III, or the three hours of elective work required in Division IV.

#### Withdrawal, Re-entry and Readmission

A student who withdraws from school for any reason for part or all of a regular academic year must apply in writing to the director of student services for re-entry or readmission. For the re-entry of a previously enrolled student, the Committee on Student Development may be consulted. The committee may require information about the student beyond that which was furnished at the time of admission.

The faculty may, at any time, require the withdrawal of any student whose conduct is, in the judgment of the faculty, inconsistent with the standards of the school and the University or with the objectives of the degree program in which the student is enrolled.

#### Change of Degree Program

A student who is currently enrolled in the M.Div., M.A.M., M.S.M. or M.T.S. program and who wants to transfer to another of these programs must formally apply for admission to the new degree program. The Office of Admissions and Financial Aid should be consulted regarding the appropriate procedure. The transfer of credit hours is subject to the direction and approval of the registrar. Ordinarily, credit is fully transferable between programs.

#### Combined Degree Programs

One may pursue two Perkins professional master's degrees concurrently in any of several combinations. A student considering such an option should consult with the director of student services.

#### Admission of Nondegree Students and Auditors

People who have a B.A. or equivalent degree and who wish to take courses for credit but who do not wish to enter a degree program may seek admission to Perkins as a nondegree student. The student must submit a completed application (available from the Office of Admi

# MASTER OF DIVINITY

---

## PURPOSE

The Master of Divinity degree is designed primarily for students who plan to be ordained clergy and serve in Word, sacrament, service and order. It may also equip a person for other specialized ministries.

## REQUIREMENTS FOR ADMISSION

The number of new students to be admitted each year is determined by policies of selection established by the faculty. The following considerations are decisive:

1. Seriousness of purpose, emotional stability and likelihood of satisfactory performance in the degree program and of responsible membership in the Perkins and Southern Methodist University community.
2. Presence of and potential for growth in those emotional, moral and spiritual

Beyond the evidence of ability furnished by transcripts, applicants may be asked to demonstrate their preparation for theological study by adequate performance on either the GRE graduate school entry exam or the Miller Analogies Test.

To supplement the data furnished by transcripts, letters of reference and other written material, a personal interview with the director of student services or with a person designated by the director may be required of the applicant.

#### REQUIREMENTS FOR GRADUATION

The M.Div. program requires 85 term hours of academic credit: 72 term hours of coursework and 12 term hours earned through the satisfactory completion of a supervised internship. Each M.Div. student will also enroll in a spiritual formation group for two terms, normally the first year of study, for one term hour of credit for the second term.

#### Course Requirements

The course requirements, totaling 72 term hours, are as follows:

- I. Thirty term hours of basic theological studies:
  - A.

### Grade Requirements

A minimum cumulative GPA of 2.000 on all coursework is required for graduation to the M.Div. degree. A minimum cumulative average of 2.000 is likewise required for continuation beyond the second term and for continuation in school beyond the fourth term.

### Admission to Candidacy

M.Div. students will be reviewed for admission to formal candidacy for the degree in the spring term following the completion of 27 term hours of academic work. A student will be admitted to candidacy provided he or she is not on probation and is not disqualified for having given insufficient evidence of fitness for ministry (described in the Fitness for Ministry section). Admission to formal candidacy signifies that the student is proceeding satisfactorily in his or her work and may be considered for the degree upon completion of all the requirements, but it does not oblige Perkins to grant the degree.

### Ordination Requirements

Students preparing for ordination s

- B** The development of a critical capacity that will allow the student to evaluate those traditions theologically.
- B** Broad-based exposure to a variety of spiritual disciplines.
- B** Experience in prayer and devotion.

Students are evaluated and given credit by the group facilitators on the basis of attendance and engagement with the subject matter of the formation process. Students should register in both the fall and spring of the first year. Exceptions to this rule must be requested in writing from the director of spiritual life and formation.

### The Master of Divinity Internship

The M.Div. program requires the satisfactory completion of a supervised internship carrying 12 term hours of academic credit. While the student registers for six hours of internship course credit during each of two consecutive terms, the internship degree requirement is satisfied only upon completion of the 12 term hours. M.Div. internships presuppose satisfactory completion of at least 40 term hours, including but not limited to six hours of required biblical studies, XS 6310 The Church in Its Social Context (three hours), HX 6305 and 6306 Christian Heritage I and II (six hours), ST 6300 Introduction to Theology (three hours), ST 6301 and 6302 Interpretation of the Christian Message I and II (six hours), PR 6300 Introduction to Preaching (three hours), WO 6313 Introduction to Christian Worship (three hours), and participation in a spiritual formation group (one hour). United Methodist students, who are required by the *Book of Discipline* to take courses in United Methodist history, doctrine and polity, are advised to take these co

the M.Div. degree, or, if the prognosis justifies it, to defer awarding the degree until such time as the disabling pattern is overcome.

It should be emphasized that personal fitness for ministry is not defined narrowly in terms of a particular form of piety or style of personal behavior nor does Perkins assume the role that belongs properly to those agencies of the church that evaluate candidates for ordination. When asked, it assists such agencies in their evaluations.

#### Time Limit

All degree requirements must be completed within seven calendar years from the time of initial registration.

# MASTER OF ARTS IN MINISTRY

---

## PURPOSE

The Master of Arts in Ministry degree program is intended to prepare students for specialized church ministry. The goal of the program is to increase students' knowledge about the church and its ministries and to foster their ability to work meaningfully and creatively in a specialized area of church ministry. Presently, the M.A.M.

- D. Three term hours in contextual studies: XS 6310 The Church in Its Social Context.

- F. Six term hours in XX 8365 and XX 6366 M.A.M. Internship.

II.

- F. Nine term hours in unrestricted electives. Those seeking ordination as deacon in the United Methodist Church will also need to take a worship course (three term hours), United Methodist studies courses (six term hours) and an evangelism course (three term hours), leaving no hours unrestricted.
- VI. Twenty-seven term hours in Christian spirituality track requirements:
  - A. Three term hours in a survey of Christian spirituality course, MN 7311 Prayer and Spirituality, or MN 7310 Spirituality and Christian Ministry.

All internships are negotiated through the Perkins Intern Program Office. Stu-

the M.A.M. degree, or, if the prognosis justifies it, to defer awarding the degree until such time as the disabling pattern is overcome.

It is to be emphasized that personal fitness for ministry is not defined narrowly in terms of a particular form of piety or style of personal behavior. Nor does Perkins assume the role that belongs properly to those agencies of the church that evaluate candidates for ordination or for professional service to the church. When asked, it assists such agencies in their evaluation of candidates.

#### Time Limit

All requirements for the M.A.M. degree must be completed within five calendar years from the time of initial registration.

#### Ordination Requirements

Students preparing for ordination should become aware as early as possible of any specific educational requirements their denomination or judicatory may expect them to satisfy in the course of their M.A.M. work. They should explore, with their academic advisers, how best to deal with these expectations. Students who are preparing for ordination as deacons in the United Methodist Church should take as their electives HX 7365 United Methodist History, ST 7034 United Methodist Doctrine, CA 7013 United Methodist Polity, WO 6313 Introduction to Christian Worship, and EV 7307 Theory and Practice of Evangelism.

# MASTER OF SACRED MUSIC

---

## PURPOSE

The Master of Sacred Music degree program is jointly sponsored by Perkins School of Theology and the Division of Music of Meadows School of the Arts for the preparation of professional music leadership in the church and, if one chooses, ordination as deacon. Recognizing the existence of several models of professional church music leadership, this program provides a wide range of graduate-level training in performance, professional and academic skills.

High priority is placed upon the preparation of the church musician as enabler of congregational singing and conductor of various ensembles in both the church and the community. The Church Music Colloquium, Supervised Practicum, conducting projects and other work offered in the School of Theology and the Division of Music provide opportunities to learn a wide range of literature, performance practices and skills and to apply this learning in both academic and churchly settings.

The program is regularly enriched by the Cabe Distinguished Lectureship, through which lecturers of international reputation are residents for periods ranging from several days to full terms. Past lecturers have included Carlton Young, Nicholas Temperley, Robert Donnington, John Rutter, David Willcocks, Margaret Hillis, William Mathias, Barry Rose, Max Von Egmond, Alice Parker, Brian Wren, Thomas Troeger and Stephen Cleobury.

A cumulative GPA of at least 3.000 (on a 4.000 scale) is required for admission to the Division of Music. Admission to the School of Theology further requires that a minimum GPA of 2.750 be achieved in the student's liberal arts work. Acceptance by both the Division of Music and the School of Theology is necessary for admission to the M.S.M. program.

The applicant is expected to bring to the program performance capabilities, in organ or choral performance, that clearly indicate he or she is ready for study at the graduate level. The applicant's performance capabilities must be demonstrated by a personal audition or an audition tape.

Applicants who already hold graduate degrees in music or who have completed some coursework at the graduate level may, upon the approval of the director of the program, apply up to nine term hours (or the equivalent) of nonperformance graduate musical or theological study toward the M.S.M. degree. However, this work must also meet the approval of the Committee on Graduate Studies of the Division of Music (if the work is in music) or of the association

## Course of Study

The requirements for the M.S.M. total 48 term hours, and they may be completed in two years (usually including summers) depending on the results of the Graduate Placement Examinations. Those pursuing an additional graduate music degree in Meadows School of the Arts or fulfilling the requirements for deacon ordination in the United Methodist Church will require up to an extra year of study. The 48 hours for the M.S.M. are distributed as follows:

- I. Twelve term hours in theological studies:
  - A. Six term hours of Bible:
    - OT 6301 or 6302 Interpretation of the Old Testament I or II.
    - NT 6301 Interpretation of the New Testament I or NT 6302 Interpretation of the New Testament II.

V. Hours in performance concentration and proficiency:

## Spiritual Formation

All students completing the M.S.M. are required to register for the program in spiritual formation. Students are required to attend a daylong orientation held in conjunction with the new student orientation program and are then enrolled in formation groups. These groups meet weekly throughout the fall and spring terms during the first year of the program.

Led by facilitators in groups of five to 10, students share in a formative experience designed to provide them with the framework of a common experience, emphasizing the following:

- B** The opportunity to explore the vital connection between spiritual formation and ministry.
- B** Opportunities to explore the central genius of spiritual traditions.
- B** The development of a critical capacity that will allow the student to evaluate those traditions theologically.
- B** Broad-based exposure to a variety of spiritual disciplines.
- B** Experience in prayer and devotion.

Students are evaluated and given credit by the group facilitators on the basis of attendance and engagement with the subject matter of the formation process. Students should register in both the fall and spring of the first year. Exceptions to this rule must be requested in writing from the director of spiritual life and formation.

## The Supervised Practicum

Students enroll in the course CM 8120 Supervised Practicum during the spring term of their first or second year. Students should have secured positions in a local church setting by no later than the second year of study. The Sacred Music Office provides assistance in securing placement in view of each student's pedagogical and financial needs. A professor in the Sacred Music Program will serve as a liaison between Perkins and the student's church so that the student has sufficient support to meet the requirements of the practicum.

In the second or third year, with the approval of the M.S.M. faculty, the student will present a service of worship in her/his church to complete CM 8120. This service becomes the graduate project for the M.S.M. degree and will be given a pass or fail grade by an evaluating M.S.M. faculty member.

## Admission to Candidacy

M.S.M. students will be reviewed for admission to formal candidacy for the degree in the fall term following the completion of 18 term hours of academic work. A student will be admitted to candidacy provided that he or she has achieved a grade average of 3.000, is not on academic probation and is not disqualified for having given insufficient evidence of fitness for ministry (described in the Fitness for Ministry section below). Admission to formal candidacy signifies that the student is proceeding satisfactorily in his or her work and may be considered for the degree upon completion of all the requirements, but it does not oblige the seminary to grant the degree.

## Fitness for Ministry

Beyond the formal academic requirements, each student is expected to show evidence of personal fitness for ministry. This fitness may be defined positively as the presence of emotional, moral and spiritual qualities requisite for the profession of

ministry. A lack of fitness for ministry may be demonstrated by patterns of personal behavior that inhibit effective ministry. Examples of such patterns include irrespon-

ate the student's practicum. The entire committee will guide, read and evaluate the student's professional practicum and project thesis. When the professional project is completed satisfactorily as determined by the committee in consultation with the director of the Office of Advanced Ministerial Studies, the student will participate in an oral evaluation on the school campus by the committee on the professional project thesis. At a minimum, both the student and adviser must be physically present for the oral evaluation. It is recommended that all committee members be physically present with the student for the evaluation. All committee members must be present for the evaluation, either in person or by electronic means.

#### PROJECT PRACTICUM AND THESIS

The professional project practicum and thesis combine research, a designed ministerial field experience and a written doctoral-level project that addresses both the nature and the practice of ministry and has the potential for application in other ministry contexts.

1. The professional project is an approved practicum experience and written thesis that articulates the theological and theoretical rationale for the practicum with theological reflection on the experience.
2. The professional project in both its parts (practicum and written thesis) should demonstrate the student's ability to identify a specific theological topic in min

# ACADEMIC RECORDS AND GENERAL AND ENROLLMENT STANDARDS

---

The standards herein are applicable to all students at the University and constitute the basic authority and reference for matters pertaining to University academic regulations and records management. Enrollment in the University is a declaration of acceptance of all University rules and regulations. A complete *University Policy Manual* is available at [www.smu.edu/policy](http://www.smu.edu/policy). Additional information regarding rules and regulations of the University can be found in this catalog.

## GENERAL POLICIES

### Confidentiality of Education Records

The Family Educational Rights and Privacy Act of 1974 is a federal law that grants students the right to inspect, obtain copies of, challenge, and, to a degree, control the release of information contained in their education records. The act and regulations are very lengthy, and for that reason, SMU has issued its own FERPA-based guidelines that are available at the University Registrar's Office FERPA website. Policy 1.18 of the *University Policy Manual* also discusses this law.

In general, no personally identifiable information from a student's education record will be disclosed to any third party without written consent from the student. Several exceptions exist, including these selected examples: 1)

Email and Mailing Addresses, Telephone, and Emergency Contact

## Transcript Service

A transcript is an official document of the permanent academic record maintained by the University Registrar's Office. The permanent academic record includes all SMU courses attempted, all grades assigned, degrees received and a summary of transfer hours accepted. If dropping a course will cause the student to be enrolled in fewer than the required number of hours to remain a full-time student, the student's financial aid status may be affected. After the consultation, the student may drop a course through My SMU Self-Service. The consultation is advisory; students are responsible for their enrollment. Questions regarding this procedure or financial aid should be directed to the Office of the Associate Financial Aid Director and the director of student services at Perkins.

### Withdrawal From the University

Note: Policies on refunds for withdrawal from the University are found in the Financial Information section of this catalog and in the *Financial Information Bulletin*, which can be accessed online at [www.smu.edu/bursar](http://www.smu.edu/bursar) (Financial Bulletin link). No refunds are made without an official withdrawal.

Students should be aware of the difference between a *drop* and a *withdrawal* and remember that they have different deadlines and separate financial policies. The deadlines for each are posted each term on the Perkins Academic Calendar. A *drop* occurs when a student removes one or more courses from his or her schedule and remains enrolled in at least one credit hour for the term. A *withdrawal* occurs when removing the course or courses will result in the student being enrolled in zero hours for the term.

drawal is the last day of class instruction for the term from which the student is withdrawing.

Withdrawing students living in SMU housing must check out of the residence halls with the Department of Residence Life and Student Housing per established procedures.

A student's grades are available to him or her through My SMU Student Center. Additional information is found under Grade Policies for Master Programs in the Perkins Graduate Programs Policies and Procedures section of this catalog.

### Grade Scale

has been unable to complete the full requirements of the course. The grade of I is granted by the committee only on written request by the student and only on the rare occasion when the student has suffered a serious illness or has experienced some other untoward hardship that the committee judges to be adequate grounds. The student's written request must be submitted to the associate dean for academic affairs no later than the deadline specified in the school's official calendar for the submission of all written work. The grade of I is normally changed to a final grade within 30 days.

At the time a grade of I is given, the instructor must stipulate in writing to the student the requirements and completion date that are to be met and the final grade that will be given if the requirements are not met by the completion date.

## PERKINS GRADUATE PROGRAMS POLICIES AND PROCEDURES

### The Academic Year

The academic year is divided into fall and spring terms. In addition, Perkins holds a summer term and a January interterm. All course requirements for the M.Div., M.A.M., M.S.M. and M.T.S. degrees may be satisfied during the regular academic year, although courses fulfilling certain requirements in these programs are normally available in the summer term as well.

### Course Loads

Students holding pastoral charges or other employment requiring 20 hours or more per week should consider carefully, with their academic advisers, the advantages and disadvantages of a reduced course load. A load of nine term hours per term may be advisable in such circumstances. Students considering any further reduction in course load should keep in mind, among other things, the effects of such a reduction upon their overall curricular planning and the time limit established in each degree program for the completion of all degree requirements.

In considering course load, students should be guided by the principle that the number of hours of a student's time to be devoted to any course per week should be

for the committee. The total number of hours transferred to a Perkins degree program from courses taken before and after matriculation should not exceed the maximum allowed for students transferring from another institution. Additional information is found under Admission by Transfer in the Admission section of this catalog.

#### Exceptional Cases

The faculty has invested the Committee on Student Development with authority to act upon all requests for exceptions to these regulations and for any variation from regular academic procedures. All requests are to be addressed in writing to the committee and submitted to the associate dean for academic affairs.
