Director's Chair

For the past year, 2012-13, I have been fortunate to have worked with a group of exceptional women and men who have made a significant impact on our program. I have been particularly impressed by the dedication and hard work of our faculty and staff. I am proud to have been part of a team that has achieved so much in such a short period of time. I look forward to continuing to work with you in the future.

Letter from Anna Skrivanek

Dear [Name],

I am writing to you because I have been thinking about you a lot lately. I hope you are doing well and that everything is going smoothly for you. I have been busy with work and family, but I always find time to think about my friends and family members.
