

Spring 2011

To ensure that all students are properly enrolled in your class please check your Class Roster periodically during the term. If you have a student ~~what on~~ the roster, please have the student see his/her advisor immediately!

Checking your Class Roster daily during the first week of classes is an excellent tool to confirm class enrollment.

A student who drops prior to the 5th class day will be deleted from the roster. A student who drops after the 5th class day will show an Admin Grd Grading Basis and automatically will be assigned a W on the end of term grade roster.

The following feature buttons are located at the bottom of the Class Roster:

- ³, P S R U W & O D W sends a comma delimited file of your roster which can be imported into an Excel spreadsheet to your SMU e-mail address.
- ³, P S R U W 3 K R W S sends a PDF format Photo Class Roster to your SMU e-mail address. The SMU logo will print when a photo is not on file.
