

H. FINANCIAL AID

Aid Awarded to Enrolled Undergraduates

Enter total dollar amounts **awarded** to full-time and less than full-time degree-seeking undergraduates **(using the same cohort reported in CDS Question B1, “total degree-seeking” undergraduates)** in the following categories. (Note: If the data being reported are final figures for the 2001-2002 academic year (see the next item below), use the 2001-2002 academic year's CDS Question B1 cohort.) Include aid awarded to international students (i.e., those not qualifying for federal aid). **Aid that is non-need-based but that was used to meet need should be reported in the need-based aid columns.** (For a suggested order of precedence in assigning categories of aid to cover need, see the entry for “non-need-based gift aid” on the last page of the definitions section.)

Note: In the chart below, students may be counted in more than one row, and full-time freshmen should also be counted as full-time undergraduates.
