Business:

- x Introductions: Council members introduced Associate Professor (Graduate Education) Dr. Poston went through the slides describing the timing for submission of data used to determine SMU's Carnegie category and 2) the Moody School's investments to help improve numbers in the areas of STEM postdoctoral research and PhD conferrals (see slides 7). Council members asked questions about postdoctoral research and how the number of postdocs determined: Dr. Petrosino asked about the length of postdoctoral appointments; Dr. Rajan asked about postdoctoral scholars, and postdocs

liaisons in those schools, rather than ex officio members on the Graduate Council. The Council agreed to discuss this again at a future meeting.

- x SMU GO Policies Drs. Michael Roberts, Assistant Provost for Global, Online and Continuing Education, and Peter Moore, Director of the Data Science Institute, joined the Council to discuss the propose

DGS

1. Share list of late stage students: There are about 200 doctoral students in year 5+ at SMU, we will share the list of these students with Deans and DGS leadership to encourage ways to help these folks graduate this year.
2. Advisor luncheon: Invite doctoral student dissertation advisors to a luncheon to share ideas on current year graduations.
3. Offer Incentives: Repurposed Graduate School funds to help students finish targeted to Humanities and Social Sciences.
 - a. Issue a Call for Proposals to fund doc students in ways that promote their graduation, offering funding for: data sources, to allow dedication to dissertation completion (eliminating the need for part time work), etc. Target helping 4th-5th years move toward 5-year completion.
 - b. Issue a Call for Proposals to fund doctoral students with bridge funds to become a postdoc for a year post graduation. This allows faculty to continue working with students and/or help them find appropriate job positions in the marketplace.

la

Offer Avenues of Writing Support as well as Career Planning. For both postdocs and doctoral students (and masters thesis students) offer writing retreats and support structures. Also offer support for pathways forward post graduation.

Fall 2022

NI - 100

A plan is in development, in consultation with the Provost's Office, to relocate SMU's Office of Global, Online and Continuing Education (GOCE) under the Moody School of Graduate and Advanced Studies.

» Moody School Faculty: All tenured and tenure-track faculty in programs granting master's or doctoral degrees in the Dedman College of Humanities and Sciences, Lyle School of Engineering, Meadows School of the Arts, and Simmons School of Education and Human Development, **as well as full-time instructional faculty in SMU GO**, are automatically faculty of the Moody School of Graduate and Advanced Studies. Membership in the faculty of the Moody School gives faculty the right to serve on committees for degrees granted by the Moody School, subject to departmental and home school approval. Moody School faculty may also be nominated for membership on the Graduate Council and may vote on the nominees from their home school. SMU faculty who are not automatically granted faculty status in the Moody School may be nominated by their department for Moody School faculty member status, subject to approval by the Dean of the Moody School.

SMU GO Policies: Potential Addition to Charter

- » Global, Online and Continuing Education: The Moody School offers degrees and certificates through the Office of Global, Online and Continuing Education. The Moody School provides administrative oversight for these degree and certificate programs, and search committees for faculty positions in these programs are made up of Moody School faculty.

SMU GO Policies: Potential Addition to Admin. Handbook

» **Global, Online and Continuing Education:** The Graduate Council functions as the curriculum committee for Global, Online and Continuing Education (GOCE) programs. As such, it reviews and approves proposals for new degree and certificate programs in GOCE and other significant curricular changes in these programs. New programs and program changes go to the Educational Programs Committee (EPC) for review after they have been approved by the Graduate Council. Faculty hiring committees for GOCE include Moody School faculty and other SMU faculty and staff as appropriate. Hiring committees must be approved by the Graduate Council and the Dean. Annual evaluation of GOCE faculty is overseen by the Dean of the Moody School.

- Spring 2022 a working group led by Renee McDonald was convened
- Goals:
 - (on hold) Clarify definitions and terms
 - Create detailed map of transparent and equitable recruiting, hiring, and on-boarding (proposed and included next slides)
 - (on hold) Creating a budget monitoring system
- Included input from HR, DEI, IAE, Faculty Success, Graduate Faculty
