Proposals for additional postdoctoral scholar support for the Road to R1

Funding Initiative	Description	# of Postdoc Positions	Amount Proposed
Provost's Science & Engineering Postdoctoral Fellowship Program	Provost's Science & Engineering Postdoctoral Fellowships are intended to support postdoctoral candidates in Science and Engineering fields as measured by the ACE Carnegie Foundation. They are intended to expand the pool of funding for science and engineering research programs and to increase the number of science and engineering postdocs on the SMU campus, with special consideration for their being employed at SMU in the ACE Carnegie R1 year of record.	12	\$840,000
