Criminal History Background Checks

In 2007, The Texas legislature passed a law (Senate Bill 9) requiring individuals working on public school campuses to submit a criminal history check. All students are required to submit to a criminal history background check prior to going on any EC-12 campus. The experience during any term.

At the time of application for the Standard Texas Teaching Certificate, each applicant will submit his/her fingerprints to the Texas Education Agency for a criminal history check by the Texas Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI).

Effective fall 2011, a conduct report will be requested from Student Life by the School of Education for each student who is applying to the Educator Preparation program, and an updated report will be requested when the students apply to student teach.

The School of Education reserves the right to deny or revoke admission to the Simmons School of Education and Human Development, Department of Teaching and Learning Educator Preparation program to any individual who has been convicted, received probation, or received deferred adjudication of crimes that involve violence or crimes against children.

An educational diagnostician candidate who has ever had an arrest that resulted in deferred adjudication, probation, or a conviction should be aware of the possible consequences related to the offense. If there are questions, he/she may contact the Certification Officer to discuss the potential ramifications.

At the time of application for the Standard Texas Teaching Certificate, each applicant will submit his/her fingerprints to the Texas Education Agency for a criminal history check by the Texas Department of Public Safety (DPS) and the Federal Bureau of Investigation (FBI).

- Site supervisor (SS): The SS is the practicing Educational Diagnostician/LSSP and mentor you have identified on campus to support your learning. Your SS works with you to structure practical experiences within the school context that enable you to meet the requirements outlined in this syllabus.
- University Field Supervisor (FS): The FS is the university field supervisor who oversees your practicum and provides formal and ongoing candidate support. The FS has a valid certification as an Educational Diagnostician or is a current Licensed Specialist in School Psychology and has completed the TEA approved

Students must complete their placement in a TEA accredited school district/public charter, or a private school accredited by the Texas Private School Accreditation Commission (TEPSAC). In preparation for the placement, it is recommended that the candidate identify a possible site. The candidate is welcome to make preliminary contact with practicum sites; however, the faculty supervisor is ultimately responsible for approving the site. In selecting field experience sites, the faculty supervisor, in cooperation with the prospective candidate, places considerable importance on the availability and cooperation of a certified educational diagnostician qualified to assume the role of the cooperating educational diagnostician or LSSP, as well as the quality of the experiences offered. Students are encouraged to reach out to the special education leadership in the district in which they are employed. Students not currently employed in a school district, charter school, or accredited private school are encouraged to begin the process of securing a site early in the program.

In order to be an approved site, the site must agree to the following: e practicum program.

- Allow the candidate to observe the site supervisor (or other assigned Diagnostician or LSSP) engaged in various activities related to the Diagnostician standards, such as consent meetings, REED meetings, IEP team meetings, and testing.
- Allow the candidate to engage in activities related to all 10 Diagnostician standards, including direct assessment of students and report writing.

FIELD SUPERVISOR QUALIFICATIONS & RESPONSIBILITIES

The Field supervisor (FS) will provide the candidate with informal and structural ongoing guidance and support. All the SMU FS meet the following qualifications:

- Have completed TEA approved observation training
- Hold current/valid certification as an Educational Diagnostician licensure or valid/current licensure as a Specialist in School Psychology (LSSP)
- Have at least three years of experience functioning as a Diagnostician or LSSP.

Academic Integrity

Exit Policy

The state requires all educator preparation programs to have an exit policy for the dismissal

Personal Information

The information presented in this handbook is accurate at the time of printing; however, policies are subject to change based on University, Simmons School and state guidelines. Check with an adviser before making a major decision based on the contents of this handbook.

Student Identification Number

The University assigns each student a nine-digit identification number. This number is used for all university records and is a permanent record of the student's enrollment at the University.

Advising for Enrollment

All students admitted to the Educational Leadership program are expected to meet with their advisers each term. Students may make an appointment to visit with their adviser anytime during the academic year.

Schedules for each term are posted and updated on the Department of Teaching and Learning website according to the University schedule. This schedule will always have the most current information.

Before the enrollment date, advisers will give permission to students based on their current work plan. If students need to alter their work plan, they must see their adviser.

Students enrolling in their Practicum will receive permission from their adviser. Permission will be granted after all criteria, including testing and coursework, for the practicum has been fulfilled.

Withdrawal from Program

Students withdrawing from the program must complete an exit form. If the student does not enroll in any education courses for three consecutive terms, his/her file will become inactive.

Student Files/Records

It is the policy of Simmons School of Education and Human Development, Department of Teaching and Learning to retain all student files for five years as per the Texas Administrative Code Rule §228.40

Testing

Texas Examinations of Educator Standards (TExES)

The TExES tests are criterion-referenced examinations designed to measure a candidate's knowledge in relation to an established criterion rather than to the performance of other candidates.

Texas Diagnostician Certification

Applying for Educator Certification from the Texas Education Agency

1. Demonstrate content and professional knowledge through the completion of education coursework (content and professional education) with satisfactory GPA and graduate
2. Demonstrate content and professional skills and dispositions through the completion of Practicum
3. Demonstrate content and professional knowledge, skills, and dispositions through passing state certification exams

After all the above requirements have been completed, degrees conferred (this could take up to 4 weeks), and the students are in good standing with the University, SMU will recommend them for standard certification.

Prior to applying to take the TExES Educational Diagnostician (253), students are expected to complete all pre-requisite courses and benchmark requirements for the certification. Information about the TExES #253 link was provided earlier in document. The faculty advisor/Program Director will notify the Certification Office when you are approved to take the TExES 253.

Students will need to follow the procedures for fingerprinting as required by the state. Once the student has been notified that the recommendation has been sent, student will be able to apply for a five-year standard certificate (fee required) and initiate the criminal background check through the fingerprinting process (fee required). Once the student applies for the standard certification from the Texas Education Agency and initiates the criminal background check, SMU will recommend the student. Follow the instructions on the SBE website for fingerprinting. (<https://tea.texas.gov/texas-educators/certification>). Diagnostician Certification is not complete without the application, fees, and the fingerprinting being processed.

Students can download a copy of their Standard Educator Certificate from their TEAECOS profile or go to <https://secure.sbec.state.tx.us/SBECONLINE/virtcert.asp>.
