

Dear students:

Welcome to the Southern Methodist University (SMU) Community! Whether you are entering for your first semester or returning to continue your studies, we are glad you are here. If you are a new student, we hope you will quickly find new friends and new opportunities for personal and intellectual growth.

The SMU Student Handbook is your guide to information and services available through your affiliation with SMU. It includes information related to your rights and responsibilities as members of the SMU community, both on and off campus. The Handbook includes the Student Code of Conduct, the Judicial Code, Honor Code, and information/expectations that SMU needs to communicate to its students.

You will be held accountable for adhering to the policies and procedures outlined in this Handbook, both on and off campus. Please become familiar with this information and let us know if you have questions.

Again, we are pleased that you are a part of the SMU community. We believe SMU offers much to its students, and we hope that you will take full advantage of all SMU has to offer you. We also look forward to what you have to contribute to our community.

Sincerely,

Vice President for Student Affairs

DIVISION OF STUDENT AFFAIRS

Office of the Vice President

Vice President for Student Affairs: Dr. James E. Caswell

Perkins Administration Building, Room 203

smu.edu/studentaffairs/

Ph: (214) 768-2821

The Division of Student Affairs is responsible for the oversight of educational and developmental programs in and out of the classroom settings at the University. The initial purpose of the Division is to support academic endeavors, however, it also works to extend what is learned in the traditional classroom into the free time and recreational activities of students.

The Division is staffed by masters and doctoral degree professionals and a number of clerical and service personnel. Many students are also employed by the Division in positions of leadership in the residence halls and other activities areas. The sense of community for students is critical to student success inside and outside of the classroom. The many programs and services which are sponsored by the Division are directed towards the creation of a very close and lasting sense of community, which allows students to support each other while they grow through their shared college experiences.

STUDENT CODE OF CONDUCT

1.0 INTRODUCTION

SOUTHERN METHODIST UNIVERSITY'S Student Code of Conduct exists to identify and explain to the student body those University policies that most directly affect student life. Having voluntarily enrolled as students at Southern Methodist University and assumed a place in the University community, all students are presumed to be knowledgeable of, and to have agreed to abide by, the rules and regulations set forth in this Student Code of Conduct, both on and off campus. The Student Code is received and evaluated by the Student Senate, which is the legislative body representing student interests.

2.02 The student press is to be free of censorship except as applicable under appropriate laws.

2.03 The role of student government and its responsibilities shall be made explicit, and clearly defined means shall be provided to ensure student expression in the formulation and application of institutional policies affecting academic and student affairs, where appropriate.

3.0 GENERAL POLICIES

3.01 ALCOHOL The University is dedicated to providing a healthy, safe, comfortable, and productive environment for students, faculty, staff, and guests. All members of the University community are expected to maintain self-control. Conduct should be consistent with ideals of academic excellence, health, and responsible social behavior, including recognition of the rights of others.

In recognition of the University's being owned by the South Central Jurisdiction of the United Methodist Church, community members are urged to adhere to the Social Principles of the United Methodist Church which states:

We affirm our long-standing support of abstinence from alcohol as a faithful witness to God's liberating and redeeming love for persons...Since the use of alcohol and illegal drugs is a major factor in crime, disease, death, and family dysfunction, we support educational programs encouraging abstinence from such use. (*The Book of Discipline of the United Methodist Church, para. 66j*).

It is also recognized that Southern Methodist University is a community of free and open inquiry in which adults are encouraged to make responsible decisions in their lives; including abstinence from or careful use of alcohol. The University recognizes the freedom of conscience that determines such issues, but cautions that such freedom does not imply license to violate the law or University policy.

3.01(a) All members of the University community should at all times be cognizant of and comply with state and local liquor laws. It is illegal in the state of Texas and against University policy for any person under the age of twenty-one (21) to possess, purchase, or consume alcoholic beverages, except when with either a parent or adult spouse. Possession or consumption of alcohol is prohibited on University property except where expressly permitted. Consumption or possession of alcoholic beverages by minors, regardless of location, is a violation of this policy and of Texas law. Provision of alcohol to minors, other than where the law provides, is also prohibited. A violation of this policy subjects the offender(s) to the possibility of University disciplinary process and/or action by civil authorities.

3.01(b) The possession and consumption of alcoholic beverages in public places on campus is prohibited, with the exception of "The Boulevard" on home football game days, at times to be designated by the University President, for those persons twenty-one years of age or older. The definition of public places includes, but is not limited to, any outdoor area, cafeteria, lobby, hallway, lounge, study area, or restroom of on-campus buildings, Greek housing, and University properties.

3.01(c) The University prohibits the possession and consumption of alcoholic beverages on campus, with the exception of individual residential rooms of persons 21 year of age or older.

3.01(d) Kegs, containing or having contained alcohol, including, but not limited to, 1/2 kegs, party balls or pony kegs, are not permitted anywhere on campus, including University owned property and streets surrounded by University owned property.

3.01(e) SMU is located within the city of University Park, Texas, which is a "dry" area. By statute, dry area means it is illegal to sell alcoholic beverages in University Park. In addition, transportation and/or possession of more than 24 12-ounce bottles of beer or more than one quart of hard liquor, is considered prima facie evidence of intent to sell, and, therefore, evidence that the law has been violated. Alcoholic beverages that are transported into a dry area may not be transported back out of the dry area.

3.02 ANIMALS/PETS It is the policy of the University to prohibit the presence of animals/pets on University property, except for fish and assistance animals necessary to help persons with disabilities. This includes residence halls, fraternity and sorority houses, apartments, classroom and administrative buildings, the Student Center, athletic facilities, and University grounds. Assistance animals and fish are allowed in the residence halls and fraternity and sorority houses, with the use of suitable equipment, if permission is granted by the Department of Residence Life and Student Housing.

3.03 ASSAULT Physical abuse and/or other conduct which endangers the health or safety of any person is prohibited. Examples include, but are not limited to: fighting or assault in any form. All combatants may be charged.

3.04 CAMPUS FACILITIES

3.04(a) USE OF BUILDINGS Students may not be in University buildings after 10:00 P.M. without appropriate authorization unless the building is designated as open after 10:00 P.M. Permission to sleep or reside in any part of any building requires prior approval.

- 3.06 DRUGS** Every person subject to the jurisdiction of this Code shall be responsible for compliance with all local, state, and federal laws regarding controlled substances and/or prescription drugs including, but not limited to, their use, sale, distribution, possession, or manufacture. Violations of any local, state, or federal law regarding controlled substances and/or prescription drugs may subject the person to disciplinary proceedings in the University Judicial System without regard to any proceedings in local, state, or federal courts.
- 3.07 EMERGENCY EQUIPMENT** Tampering with or misuse of fire-fighting equipment, including fire suppression systems (sprinklers, etc.) call boxes, emergency exits, warning devices, etc., or any hindrance of emergency procedures is a threat to the community and is grounds for immediate judicial action, fines, and any other University response as may be appropriate.
- 3.08 ELEVATOR** Tampering with elevators and/or elevator equipment, such as forcing open the doors, riding outside the cab, or performing any other activity that endangers personal safety or affects the functioning of the elevator, is prohibited.
- 3.09 ELECTRONIC MEDIA** SMU computing and networking facilities are intended for conducting and fostering the instructional, research, and administrative activities of the University. The following activities involving the use of University Computer Resources and Facilities (including computers, computer networks, connections to network services such as the Internet and web pages, subscriptions to external computing services, any peripheral devices, computer labs, computing centers, public access areas and any SMU-provided computing) are prohibited and may result, at a minimum, in the immediate denial of computer access and privileges:
- 3.09(a)** Creating, modifying, executing, reverse engineering, or retransmitting any computer program or instructions intended to gain unauthorized access to, or make unauthorized use of, a Computer Resource, Software, or Licensed Software.
 - 3.09(b)** Communicating any information concerning any password, personal identification number or other confidential information without the permission of its owner or the controlling authority of the Computer Facility that oversees that information.
 - 3.09(c)**

3.11 FAILURE TO COMPLY Students who do not comply with reasonable requests from University staff or administrators or who do not complete their judicial sanctions may have their University records placed on hold, and appropriately charged with failure to comply.

3.12 GAMBLING & RAFFLES

3.14(b)(2) Submission to or rejection of such conduct is used as a basis for personnel or academic

3.19(b) Any noise level that creates or causes an unreasonable or offensive noise level, given the time of day on the property line at the source of the noise, is prohibited. Those producing such unreasonable or offensive noise can be required to cease.

3.19(c)

sale or offer of sale for the purpose of securing a profit for the benefit of an individual or group. Such activities will generally be prohibited unless the University does not offer the service or goods and/or it is determined that the activity is necessary to the educational mission of the University. Noncommercial activity is defined as any sale or offer of sale for the purpose of securing a profit for the benefit of any nonprofit organization. (Fund-raising activities of student organizations are treated as noncommercial activities.) If any portion of the proceeds from such sales is used to the benefit of any individual making or soliciting the sale, the activity can be treated as a commercial activity.

3.24(a)(1) Any individual or agency wishing to sell on the SMU campus must be sponsored by a University department or chartered student organization.

3.24(a)(2) Any items that are illegal may not be sold.

3.24(a)(3) Organizations must request permission to conduct sales through the Director of Student Activities or his/her designee. Request forms may be obtained in the Student Activity Center and must be returned at least 14 days prior to the requested date of the sale. Sales will be governed by the policies of the relevant facility in addition to overall University policies.

3.24(b) SOLICITATION OF GREEK HOUSES Vendors are not allowed to make direct contact with the Greek houses.

3.24(c) SOLICITATION IN RESIDENCE HALLS No solicitation is allowed in the residence halls. Under some circumstances, exceptions may be made by the Office of Residence Life and Student Housing and the University Residence Hall Association. (See Community Standards and Student Conduct in the Residence Halls.)

3.24(d) SALES IN OTHER CAMPUS FACILITIES

3.24(d)(1) Sales of goods and services in all academic buildings is prohibited.

3.24(d)(2) Sales of goods and services by students or student organizations, excluding tutoring, in other campus facilities, as with all sales, must have the approval of the Director of Student Activities or his/her designee and are governed by the policies established for the area of campus in which the sale will be conducted, and by the nature of the sale.

3.24(d)(3) Sales on the streets and grounds are approved through the Student Activities Center and are governed by the policies established for use of campus grounds.

3.24(d)(4) Sales on campus by student organizations utilizing Pony Express must be approved by the Director of Student Activities or his/her designee and follow the procedure established by the Park and Pony Office and the Student Activities Center.

3.24(e) DISTRIBUTION OF WRITTEN MATERIAL

3.24(e)(1) Any individual or agency wishing to distribute written material on the SMU campus must be sponsored by a University department or a student organization.

3.24(e)(2) Any illegal items may not be distributed.

3.24(e)(3) Distribution of publications, excluding official University publications, must be approved by the Director of Student Activities or his/her designee.

3.24(e)(4) Distribution shall be orderly and not interfere with the rights of students or other members of the University community and must be conducted by members of the sponsoring organization. Distributors must supply a trash receptacle at the site of distribution and are responsible for all distributed material discarded on campus grounds.

3.24(e)(5) Distribution in the Student Center may be done only from a reserved area. Reservations must be made through the Student Center reservations office.

3.24(e)(6) Distribution in residence halls must have prior approval by the Department of Residence Life and Student Housing. (See Community Standards and Student Conduct in the Residence Halls.)

3.24(f) COLLECTIONS AND DONATIONS

3.24(f)(1) Two annual solicitations for charitable purposes have been approved by the University: the United Way and the Annual Fund.

3.24(f)(2) No other collection or solicitations of donations are permitted without approval from the Director of Student Activities for chartered student organizations and the Vice President for Development and External Affairs, the Vice President for Business and Finance, and the Vice President for Student Affairs for nonstudent, off-campus requests.

3.24(g) SURVEYS Only recognized student organizations or University departments may survey members of the SMU community. An outline of the way in which the results will be used and a copy of the actual survey must be approved by the Student Activities Center.

3.25 SEXUAL MISCONDUCT AND SEXUAL ASSAULT

3.25(a) Sexual misconduct includes:

3.25(a)(1) intentionally or knowingly touching or attempting to touch another person's intimate parts, including but not limited to, the genitalia, groin, breast, or buttocks, or the clothing covering them, without the other person's consent;

3.25(a)(2) intentionally or knowingly causing or attempting to cause another to touch a person's intimate parts without the consent of the person who does the touching;

3.25(b) Sexual assault includes the engaging or the attempt to engage, without the other person's consent, in:

3.25(b)(1) sexual intercourse, sodomy, or oral copulation with another, and/or

3.25(b)(2) the penetration (however slight) of another person's anal or genital region with any object.

3.25(c) Consent means knowing and voluntary assent in fact, whether express or implied.

3.25(d) An accused may be found to have committed the offense of sexual misconduct or sexual assault only if the other person did not consent to the sexual conduct and the accused either knew or was aware of a risk that the other person had not consented.

3.25(e) In determining whether a person consented to the sexual touching or other conduct by the accused, the following factors may be taken into consideration as well as other factors relevant to the case:

3.25(e)(1) whether the person was physically or mentally impaired;

3.25(e)(2) whether the person was unaware that the sexual conduct was occurring;

3.25(e)(3) whether the person's power to appraise or control his or her conduct or to consent was substantially impaired for any reason, including but not limited to, the ingestion of drugs or alcohol; or

3.25(e)(4) whether the person by word or conduct attempted to resist the accused.

3.25(f) In determining whether the accused was aware of a risk that the other person was not consenting, the accused's subjective awareness of the following may be considered as well as other factors relevant to the case:

3.25(f)(1) that the other person might have been physically or mentally impaired;

3.25(f)(2) that the other person might have been unaware that the sexual contact was occurring;

3.25(f)(3) that the other person's power to appraise or control his or her conduct or ability to consent might have been substantially impaired for any reason, including, but not limited to, the ingestion of drugs or alcohol; or

3.25(f)(4) that the other person had by word or conduct attempted to resist the accused.

3.25(g) If the accused's failure to be aware of a risk that the other person was not consenting resulted from the accused's voluntary and knowing ingestion of any substances, such as drugs, medicine, or alcohol, the accused's failure to perceive the risk is not a defense to a charge of sexual misconduct or assault.

4.04 RESPONSIBILITIES AND REQUIREMENTS OF STUDENT ORGANIZATIONS All recognized student organizations, regardless of the tier in which they are currently located, must adhere to the following responsibilities and requirements:

- 4.04(a)** The purpose of the organization must be consistent with the goals and philosophies of Southern Methodist University.
- 4.04(b)** Membership must be open to all members of the SMU student body without respect to sex, sexual orientation, race, color, religion, disability, age, veteran status, or national origin. This applies to all groups with the exception of those organizations specifically exempted in Title IX of the Educational Amendments of 1972. Organizations may establish additional membership and academic eligibility requirements for their organizations.
- 4.04(c)** All the members of an organization must be SMU students, staff, or faculty. Exceptions, if any, must be approved in writing by the Vice President for Student Affairs.
- 4.04(d)** All persons holding office must be currently enrolled full-time students and have a cumulative GPA of 2.0. Each organization is expected to include within its Constitution and/or Bylaws academic requirements it feels are appropriate to hold office.
- 4.04(e)** Every recognized organization must have an SMU faculty or staff member serving as advisor. The advisor does not have the authority to control the policy or funds of the organization.
- 4.04(f)** The organization's current Constitution and/or Bylaws must be on file with the Director of Student Activities.
- 4.04(f)(1)** Any organization wishing to change its name must do so in its constitution
- 4.04(g)** Religious organizations wishing to be recognized as a student organization must have a written recommendation from the Campus Ministry Council (CMC) before appearing before the Organizations Committee. Generally, CMC convenes only one meeting per month. In order to be recognized, new religious organizations must be willing to participate as a member of the CMC. (Participation is defined as attending monthly CMC meetings.)
- 4.04(h)** Groups designated as sports clubs must have waivers of liability for all members on file with the Associate Director of Recreational Sports / Sport Club Director before participating in any activity of the group. Due to the unique nature and activity of sports clubs, additional requirements may be imposed before the University will sanction their activities.
- 4.04(i)** Membership must adhere to the Constitution and Bylaws of the organization. Policies of a recognized organization must be in accordance with the Student Code and are subject to review by the Student Senate.
- 4.04(j)** To continue to receive any privileges once recognized, an organization must be represented at two mandatory organizations meetings each semester (one for organization presidents and one for treasurers) and submit an Officer Update Form each semester to the Senate Organizations Committee within two weeks of changes in officers and/or advisor.
- 4.04(j)(1)** For the fall semester, if a student organization fails to attend the mandatory organizations meeting the organization's status will be suspended until contact has been made. If after four weeks the organization has failed to contact the Student Organizations Chair or Director of Student Activities the Senate

Organizations Committee Chair will recommend to the Student Senate that the organization's charter be revoked. If the Senate, after following its complaint process, votes to revoke the organization's charter, the organization will cease to be recognized and all appropriated funds will be returned to the Students' Association.

4.04(j)(2)

4.06 STUDENT ACTIVITY FEE ALLOCATION Student activity fees are to be used to support programs and services for the benefit of the SMU student body. Student activity fees may be applied for through the Senate Finance Committee for review and recommendation to the Student Senate. To be eligible to apply for funds, one must be a chartered student organization or, for non-student organizations, be sponsored by an SMU academic or administrative department and be determined by the Vice President for Student Affairs to have a “legitimate relationship” with the University. A legitimate relationship exists when the requesting organization has, in the opinion of the Vice President for Student Affairs, both (a) a sufficiently similar academic or programmatic purpose as the sponsoring academic or administrative department, and (b) could not be appropriately chartered by the Student Senate. Funds allocated through this process are subject to guidelines approved by the Student Senate. These include, but are not limited to, accounting for all expenditures through documentation filed with the Students’ Association comptroller before the end of the fiscal year.

5.02(a)(1) A recruitment function is defined as any contact, on or off campus, between non-affiliated students and fraternity/sorority members for the purpose of exploring the possibility of membership in a Greek organization.

5.02(a)(2) The University allows contact between Greek affiliated and non-affiliated students, but prohibits first-year student pledging during the student's first semester on campus.

5.02(b) ELIGIBILITY FOR PLEDGING

5.02(b)(1) Students interested in pledging a fraternity or sorority must have successfully completed at least 12 semester hours in residence at a college or university during their last semester enrolled in that college or university preceding the pledging period and must have a minimum 2.25 GPA for that previous semester and a cumulative 2.25 GPA at all colleges or universities previously attended at the time of beginning pledgeship/new member education. Individual Councils may have higher GPA requirements for recruitment eligibility.

5.02(b)(2) Students who are found responsible for a violation of the Student Code of Conduct and are sanctioned by disciplinary probation or greater will be ineligible for Greek recruitment during the time that sanction is in effect.

5.02(c) FORMAL AND OPEN RECRUITMENT

5.02(c)(1) Formal and Open recruitment is applicable only to the Interfraternity Council and Panhellenic Association, and will be held the week before classes of the spring semester. The Multicultural Greek council organizes their Recruitment during the first four weeks of each semester. The National Pan-Hellenic Council determines their Membership Intake Process through their individual national boards.

5.02(c)(2) Structured open recruitment occurs for non-first-year students in the fall semester, usually in the first few weeks of September, and for all students in the first few weeks of the spring semester following the formal recruitment period. However, students who meet the eligibility requirements may pledge at any time at which an invitation for membership is extended by a group.

5.02(c)(3) Requests for exceptions to the eligibility requirements for Recruitment and pledging may be made to the Dean of Student Life through the advisors to the individual Greek councils.

5.03 EXPANSION OF THE GREEK SYSTEM Requests for Greek expansion to be reviewed by Council President, Council Advisor, Director of Student Activities, and Dean of Student Life. Such requests will be reviewed according to the following procedures.

5.03(a) Criteria for Expansion

5.03(a)(1)(i) Average size and growth of Council in past three years.

5.03(a)(1)(ii) Academic standing compared to SMU GPA

5.03(a)(1)(iii) Recruitment statistics

5.03(a)(2) Enrollment trends of the University

5.03(a)(3) Number of chapters currently active and average number of members in each chapter. Must demonstrate need for additional chapters due to current chapter overload and interest from students.

5.03(b) If the decision on the Criteria for Expansion is positive by the four initial reviewing persons, the Vice President for Student Affairs and the President of the University are then petitioned for approval for the next steps to proceed.

5.03(c) Upon receiving official approval from the Vice President for Student Affairs, the petitioning Council must pass the proposal for expansion by a two-thirds vote. If expansion is approved, the Council must abide by their Council expansion policies, with supervision of their Advisor and the Dean of Student Life.

5.03(d) If expansion is approved and offered, the accepting chapter must provide SMU and the respective Council with the following materials and complete the following action items prior to colonization/recolonization (dates to be set by Council Greek Advisor and Dean of Student Life):

5.03(d)(1) National Constitution and Bylaws

5.03(d)(2) Mission Statement/Vision Statement of National organization

School of Engineering will be heard through this student judicial process. As with all other hearing boards, the result of a graduate hearing board, under this process, may be appealed to the UJC appellate body. Academic dishonesty cases concerning graduate students at the Cox School of Business, the Dedman School of Law, and the Perkins School of Theology are handled separately through processes established at each of those schools.

- 6. THE UNIVERSITY JUDICIAL COUNCIL (UJC)** The UJC, as the basic unit responsible for judicial appeals in response to student disciplinary and academic dishonesty problems, is accountable to the President of the University through the Vice President for Student Affairs. The UJC shall be composed of two (2) staff, two (2) faculty, three (3) students (ideally two (2) undergraduates and one (1) graduate student), and two (2) student alternates. All seven members may serve on any appellate board, but an official quorum for an appeal consists of a minimum of four (4) members, which includes at least one (1) faculty member, one (1) student member, and one (1) staff member. An official quorum for an Honor Council appeal consists of a minimum of five (5) members, which includes at least two (2) faculty members, two (2) student members and one (1) staff member. Student alternates may participate in all regularly scheduled meetings, but will not have voting rights as members of an appellate board, unless serving as designated substitutes for student members who are unable to serve. The chairperson of the UJC, who is a voting member of an appellate board, shall be elected by the members of the UJC from among the faculty and staff members of UJC. A vice chairperson of the UJC shall also be elected each year by UJC. The UJC serves as a board of final appeal for appeals originating from University hearing boards, Honor Council hearings and Administrative Hearings, except when a sanction of expulsion is assigned (see section VI-A).

a. Selection of Members

- i. Selection of Student Members** Selection of student members shall be accomplished in the spring each year and their appointment shall be for the succeeding academic year. Students shall be limited to three consecutive one-year terms, however they must reapply for membership each year. Student members may not simultaneously serve on any other judicial body or in student government as an officer or student senator. The Office of the Dean of Student Life will initiate contact with the Student Body President concerning selection of student members. The Student Body President may nominate up to five candidates to be interviewed. The UJC may also nominate up to five candidates. The UJC and two representatives, selected by the Student Body President, may interview all candidates. The UJC Chair shall send recommendations to the President of the University. The President will appoint student members.
- ii. Selection of Faculty Members** The Office of the Dean of Student Life will initiate contact with the Faculty Senate concerning selection of faculty members. The Faculty Senate may nominate three candidates. The UJC also may nominate three candidates. The UJC and two members of the Faculty Senate may interview all candidates and the UJC Chair shall send recommendations to the President of the University. The President will appoint faculty members. Faculty appointments are for three years and shall be staggered so members are being appointed in different years.
- iii. Selection of Staff Members** The Office of the Dean of Student Life will initiate contact with the Vice President for Student Affairs concerning staff members. The Vice President will nominate three candidates to be interviewed. The UJC also may nominate three candidates. The UJC and two members selected by the Vice President for Student Affairs may interview all candidates and the UJC Chair shall send recommendations to the President of the University. The President will appoint staff members. Staff appointments are for three years and shall be staggered so that members are being appointed in different years. Members replacing staff leaving before their term is over will be appointed for the balance of a term. Faculty and staff appointments may serve for more than one three-year term. Terms may not be consecutive, however, exceptions to the above may be granted by the President of the University.
- b. Responsibilities of the University Judicial Council (UJC)** The UJC serves as the basic unit responsible for judicial appeals in response to student disciplinary and academic dishonesty problems and is accountable to the President of the University through the Vice President for Student Affairs.

- i. Constitutional questions concerning the Student Senate, which is governed by the Student Body Constitution, may be resolved by the UJC. Such questions must be brought as a written petition to the council for consideration. If the UJC agrees to consider the petition, it will meet as an appellate board at which both sides will be represented and a binding decision will be rendered.
 - e UJC may allow oral presentations concerning constitutional questions. Petitions for such a hearing may originate from any Student Body Officer or Student Senator. Also, any student with the signatures and student identification numbers of five percent of the currently enrolled full-time and part-time students, may petition for a hearing. All such constitutional questions must first be submitted to the Executive Committee of the Student Senate, which will review the appeal or dispute as outlined in Article X of the Student Senate By-laws.

Such investigation may include consultation with the SMU Police Department. The accused student has the right to remain silent and to make a statement regarding his/her reasons for choosing to remain silent. (See Section 3.11 of the Student Code of Conduct section.)

IV. CONDUCT OF THE HEARING

- A. UNIVERSITY HEARING BOARDS** Whenever possible, members from the University hearing board pool will be selected to serve as hearing board members on a random basis. The complainant and the accused may challenge any member of the hearing board on grounds of bias. Upon considering any challenges from the accused or complainant concerning his/her impartiality, any member of a hearing board may withdraw voluntarily. If there is no quorum and a member is excluded, the hearing will be delayed until an alternate member of the University hearing board pool can be selected.
- B. QUORUM - UNIVERSITY HEARING BOARD** At least four (4) members of the hearing board shall be present throughout the hearing. If less than the required number is present at the opening of the hearing, the hearing shall be postponed until four (4) members can be convened. These requirements may be waived in writing upon agreement of all parties. In such cases, the accused may waive the right to a quorum in writing and the hearing will proceed. If the accused chooses not to waive the right to a quorum, another member from the pool shall serve on that board, and the hearing will be rescheduled.
- E. Students are required to maintain a current local address and telephone number and e-mail address on file with the University Registrar at all times. THE HONOR CODE

Intellectual integrity and academic honesty are fundamental to the processes of learning and of evaluating academic performance, and maintaining them is the responsibility of all members of an educational institution. The inculcation of personal standards of honesty and integrity is a goal of education in all the disciplines of the University.

The faculty has the responsibility of encouraging and maintaining an atmosphere of academic honesty by being certain that students are aware of the value of it, that they understand the regulations defining it, and that they know the penalties for departing from it. The faculty should, as far as is reasonably possible, assist students in avoiding the temptation to cheat. Faculty members must be aware that permitting dishonesty is not open to personal choice. A professor or instructor who is unwilling to act upon offenses is an accessory with the student offender in deteriorating the integrity of the University.

Students must share the responsibility for creating and maintaining an atmosphere of honesty and integrity. Students should be aware that personal experience in completing assigned work is essential to learning. Permitting others to prepare their work, using published or unpublished summaries as a substitute for studying required materials, or giving or receiving unauthorized assistance in the preparation of work to be submitted are directly contrary to the honest process of learning. Students who are aware that others in a course are cheating or otherwise acting dishonestly have the responsibility to inform the professor and/or bring an accusation to the Honor Council.

Students and faculty members must mutually share the knowledge that any dishonest practices permitted will make it more difficult for the honest students to be evaluated and graded fairly and will damage the integrity of the whole University. Students should recognize that both their own interest, and their integrity as individuals, suffer if they condone dishonesty in others.

THE CONSTITUTION OF THE HONOR COUNCIL OF SOUTHERN METHODIST UNIVERSITY

PREAMBLE AND DEFINITIONS We, the students of Southern Methodist University, with the approval of the Provost and the Dean of Student Life, establish the Honor Council to uphold the standards of academic integrity set forth in the Honor Code. Acts punishable under the code include, but are not limited to the following:

ACADEMIC SABOTAGE Intentionally taking any action which negatively affects the academic work of another student.

CHEATING Intentionally₁ using or attempting to use unauthorized materials, information, or study aids in any academic exercise₂.

FABRICATION Intentional and unauthorized falsification or invention of any information or citation in an academic exercise₃.

FACILITATING ACADEMIC DISHONESTY Intentionally or knowingly helping or attempting to help another to violate any provision of the Honor Code₄.

PLAGIARISM₅ Intentionally or knowingly representing the words or ideas of another as one's own in any academic exercise.

IMPEDING HONOR COUNCIL INVESTIGATION Impeding the investigation of the council, lying to the council, or in any way failing to cooperate with the council.

The general principles for all honest writing can be summarized briefly. Acknowledge indebtedness:

1. Whenever you quote another person's actual words.
2. Whenever you use another person's idea, opinion, or theory, even if it is completely paraphrased in your own words.

SECTION 2: Ratification of this Constitution shall be by majority vote of the Student Senate, the Faculty Senate, and the approval of the Provost and Dean of Student Life.

SECTION 3: Amendments may be proposed by a student senator, faculty senator, member of the council, or by petition of no less than 10 percent of the student body. Passage shall require a majority vote of the Honor Council and approval by the Student Senate, the Faculty Senate, and the approval of the Provost and the Dean of Student Life.

ARTICLE II

HONOR COUNCIL COMPOSITION AND AUTHORITY

SECTION 1: MEMBERSHIP If possible, the Honor Council should be comprised of a minimum of four officers and no less than 27 general members. Officers will be elected internally by the Honor Council. General members will be selected through an application and interview process by the Honor Council Executive Board.

this reporting mechanism, as it serves two purposes: first, it enables the University to track the number and severity of honor code violations; second, it preserves a record of a particular student's violation of the Honor Code in the event the student is charged with other alleged violations in the future.

- (b) Determine that the matter should be referred to the Honor Council, in which case the charge must be filed and received by the Honor Council within 22 class days from the date of discovery of the alleged violation. The procedures outlined in Section 2, below, will be followed.

SECTION 2: NOTIFICATION OF STUDENT AND PREHEARING PROCEDURES

- (a) A person who suspects an Honor Code violation shall notify the Honor Council president of the alleged act in writing on the standard form established for that purpose.
- (b)

- (c) The accused may challenge any board member's eligibility to sit on the panel; however, the hearing board by majority vote, will have the final decision regarding the panelist's eligibility.
- (d) Hearings will be closed to the public, except for the accused student's parents, the community support person accompanying the accused student, and Honor Council members-in-training. The accused student may request an open hearing, which may be held at the discretion of the president. Open hearings will waive all rights to confidentiality.
- (e) Any person, including the accused student, who disrupts a hearing or who fails to adhere to the rulings of the president may be excluded from the proceeding.
- (f) All proceedings are confidential. Violations of the policy on confidentiality will result in a board member's removal from the council as well as subject the board member to possible judicial action.

for the hearing. The board shall still be comprised of five members if possible (four for a quorum), however more than one Honor Council faculty member is eligible to sit on the board, as well as is one member of the administration of Southern Methodist University, so long as there are at least two student Honor Council members on any hearing board (including the four-member quorum). Furthermore, any officer of the Honor Council shall be eligible to sit on the board to the extent that they have no prior knowledge of the case.

- (b) All other special contingency hearing procedures shall follow the guidelines set forth in Section 2.

ARTICLE V - PENALTIES

SECTION 1: The recommended minimum penalty for a violation of the Honor Code shall be an Honor Violation (H.V.) and a deferred suspension from the University for the remainder of the student's academic career. The suspension will be invoked for a finding of guilt of an Honor Code violation or a sanction of disciplinary probation through the University Judicial System. The Honor Council shall authorize the University registrar to place an H.V. on the transcript. The H.V. shall remain on the student's transcript for three years after graduation or expected date of graduation. It shall then be removed from the transcript. Although it is presumed that a guilty verdict would result in assignment of a grade of "F", the faculty member retains complete discretion to award a grade for the course he or she deems appropriate. Hearing board members may discuss the case issues in general with other Honor Council members at their regular meeting for purposes of training, but no identifying information may be discussed.

SECTION 2: In lieu of, or in addition to, the above recommended Honor Violation, the following penalties may be given:

- (a) Educational sanction
- (b) Judicial Reprimand
- (c) Disciplinary Probation for a term set by the hearing board
- (d) Deferred sanctions for a term set by the hearing board
- (e) Suspension from the University for a term to be set by the hearing board (during which, credit gained at another institution cannot be transferred back to SMU);
- (f) Expulsion from the University.
- (g) If the student receives a sanction involving a probationary period or higher, the student's parents will be notified.

SECTION 3: The criteria on which penalties are based include but are not limited to:

- (a) Truthfulness and cooperation in the investigation and hearing;
- (b) Intent, premeditation and seriousness of the offense;
- (c) Previous University Honor Council or Judicial Council record;
- (d) Harassment of the complainant or any witness.

SECTION 4: For a period of one year, no student with an H.V. on the transcript will be permitted to represent the University in any extracurricular activity, or run for or hold office in any recognized student organization, including, but not limited to, participating as a member of an athletic team, in performances conducted under University auspices, serving as a member of the Mustang Band, the debate teams, an officer of a sorority or fraternity, a member of the Student Senate, a member of the Student Foundation, or in similar capacities. If students so sanctioned fail to remove themselves from such activities voluntarily, the Honor Council will contact the relevant student or administrative officials to force such action. In exceptional situations, this penalty may be waived at the discretion of the hearing board.

SECTION 5: For a period of one year, no student with an H.V. on his or her record shall be entitled to a scholarship based on any factor other than need.

ARTICLE VI - APPEAL

SECTION 1: Grounds for appeal are the following:

- (a) substantial new relevant evidence not available at the time of the original hearing;
- (b) significant procedural irregularities which denied the student a fair hearing;
- (c) insufficient evidence provided to merit a finding of responsibility;
- (d) sanctions overly harsh;
- (e) Clearly erroneous findings of fact.

SECTION 2: Only the accused student has the right to appeal.

SECTION 3: All requests for appeal of the hearing board's decision shall be submitted to the University Judicial Council in writing no later than four calendar days (excluding school holidays) from the Hearing Summary meeting with the Honor Council President or the mailing of the Hearing Summary Report to the student's address of record. Requests must set out detailed reasons for the appeal. The hearing board shall submit a response to the appeal to the University Judicial Council. For this purpose, a quorum of the University Judicial Council shall be two faculty members, two students, and one administrator. The council shall convene a closed informal hearing within a timely manner to discuss the merits of the appeal. The standard of appellate review is very stringent and only in cases of a clear miscarriage of justice shall an appeal be granted.

SECTION 4: The University Judicial Council may dismiss the case due to such procedural irregularities as will forever deny the student a fair hearing, grant the appeal and remand for a de novo hearing, with a new hearing board, for insufficient evidence, significant procedural irregularity, or substantial new evidence, or lighten sanctions if it finds the sanctions to be overly harsh.

ARTICLE VII - RECORDS

SECTION 1: All correspondence with the student and records of board decisions and all board correspondence will be kept permanently in the Honor Council file. Copies will also be maintained in the permanent file in the Dean of Student Life Office, in accordance with policies established for maintaining of student judicial records.

LAW ENFORCEMENT & SECURITY

Southern Methodist University is pledged to fulfill its promise as a private university of the highest quality. Toward that end, a variety of services and programs are offered which are conducive to the support of the learning that occurs in the classroom. Uppermost among the services and programs are those that promote the safety and security of the campus community.

JURISDICTION OF THE UNIVERSITY POLICE

Law Enforcement Authority of Campus Security Personnel

the exterior doors to all residence halls remain locked 24 hours a day. Unlimited access is available to residents of each particular facility via a card swipe access control system. Residence halls are randomly patrolled 24 hours per day by uniformed police officers. Residents are encouraged to report all suspicious people to Residence Life staff or the SMU Police.

Visitors to the residence halls, as well as fraternity and sorority housing, must be accompanied by the resident being visited. Visitors to campus are welcome, but are expected to adhere to all campus regulations and policies. Visitors are encouraged to stop by the Police Department located on the second floor of Patterson Hall for information on university regulations. The University reserves the right to restrict the access of any person who does not adhere to University policies and procedures. ANY person may be required, upon request by the Police Department, to present identification while on campus.

Faculty, staff and students are required to have an SMU ID CARD in their possession at all times and to present their SMU ID CARD upon request by a University Official. The SMU ID CARD is available at the Park N' Pony Office located on the 2nd floor of the Hughes-Trigg Student Center.

Security cameras are positioned at several locations around campus including the entrances and exits of parking garages, some public plazas, libraries, and areas that contain high value artwork. These cameras are not monitored at all times; however, they are equipped to digitally record activity within the field of view. Presence of security cameras should not preclude individuals from practicing good, common sense crime prevention practices and exercising caution.

MAINTENANCE OF CAMPUS FACILITIES

University facilities, lighting, and landscaping are maintained so as to reduce hazardous conditions. The University also has emergency blue light phones installed throughout the campus. University Police Officers regularly test the emergency phones and submit work orders for those in need of repair. Officers also routinely report the need for replacement lights and any other physical hazard they note. Malfunctioning lights, emergency telephones and other unsafe conditions are reported to the Campus Planning and Plant Operations (CPPO) for repair or correction on a daily basis.

SERIOUS CRIMES (TIMELY WARNINGS)

All of us want to be alerted to potentially dangerous situations near our homes or workplaces so that we may take appropriate precautions. In order to keep the campus community informed about safety and security issues, SMU will alert the community of certain crimes, in a manner that is timely and will aid in the prevention of similar crimes.

The decision to issue a timely warning must be decided on a case-by-case basis in light of all the facts surrounding the crime, including factors such as the nature of the crime, the continuing danger to the campus community, and the possible risk of compromising law enforcement efforts.

In the event a the decision is made to issue a timely warning, the following procedures will be used to provide notice and warning to the SMU community:

- (1) **CAMPUS ALERT** bulletins will be posted around campus. These alert bulletins will be posted in prominent locations and entrances to the residence halls, academic and administrative buildings, the Hughes-Trigg Student Center, the libraries, and cafeterias.
- (2) The Daily Campus student newspaper will be asked to run the warning in the very next issue.
- (3) The O

Subtle pressure for sexual activity (i.e., “How would you like to go to a conference in Minneapolis with me?”)
Pattern of conduct (not legitimately related to office business or the subject matter of a course) that causes humiliation or discomfort, such as sexually explicit or sexist comments, questions, anecdotes, or jokes

CONSENSUAL SEXUAL RELATIONSHIPS*

Faculty/Student Relationships

It is a serious breach of professional ethics for a teacher to initiate or acquiesce in a sexual relationship with a student who is under the personal supervision of the faculty member. Therefore, Southern Methodist University prohibits consensual sexual relationships between a faculty member and a student enrolled in a course taught by the faculty member or whose academic work is supervised by the faculty member. This applies even when both parties appear to have consented to the relationship. A faculty member who is or has been involved in a consensual sexual relationship with a person should not enter into a student/teacher relationship with that person.

A consensual sexual relationship between a faculty member and a student, particularly when the faculty member is of power, will irreparably undermine the professional relationship between them. The issue of power and control over the student remains so strong in a sexual relationship that voluntary consent by a student is improbable and highly questionable. What one thinks is voluntary consent may be only forced consent that the hidden, subtle pressure stemming from the faculty member's position of power has transformed into a “voluntary” act. Such a relationship creates an inevitable conflict of interest when the teacher makes judgments about a student's work.

The appearance of impropriety to the University community, which such relationships produce, casts doubt on the faculty member's academic decisions concerning a particular student's performance, the faculty member's overall professionalism and credibility, and the genuineness of the student's accomplishments where the faculty member is directly supervising and teaching the student.

For purposes of this policy, a faculty member or a teacher is any member of the full-time or part-time faculty, a teaching assistant, an academic adviser, or any other person making academic judgments about a student's work.

** “Consensual sexual relationships” may include amorous or romantic relationships, and the term is intended to indicate conduct between a faculty or staff member and a student that passes beyond what a person of ordinary sensibilities would believe to be a collegial relationship.*

STAFF/STUDENT RELATIONSHIPS

Consensual sexual relationships between staff and students are prohibited in cases where the staff member has authority

Tell someone. It is helpful to talk to a trusted friend, teacher, resident assistant, colleague, or counselor to help clarify the nature of the incident, receive support, and discuss alternative responses. Many victims of sexual harassment feel ashamed, angry, even frightened, and have a tendency to blame themselves for the incident. The staff of the Women's Center may be particularly helpful if you need emotional support and information on University policies and procedures. The services of the center are free and confidential.
